

Benefits of Telemedicine

From Idea to Expansion

Why Curavi?

- We are the most experienced providers of after-hours telemedicine care in nursing facilities in the country
 - Contracted in 14 states
 - Best in class peripherals
 - Tailored solution to fit your needs
 - World renowned clinical expert panel
 - We invest in success- 24/7 IT and Customer support, Dedicated Account Manager, mock consults and remote training, and QAPI support

Our Solutions

Curavi provides much more than just reliable technology equipment; we deliver physician provider solutions adapted to your community's needs.

We offer a range of physician coverage solutions:

- **Full-Service-utilizing Curavi providers on off hours/weekends**
- **BYOP- bring your own provider**
- **Hybrid-combination of the two**
